## CLIENT QUOTES

### CEO, Midwest Laboratories

“ I had the pleasure of working with Mark and having him present to our sales staff and entire company. Mark has helped us establish a "sales" culture that quickly helped I had the pleasure of working with Mark and having him present to our sales staff and entire company. Mark has helped us establish a "sales" culture that quickly allowed us rebuild and refocus our sales objectives on creating quality client relationships. Through this process, we were able to secure quality accounts and raise the bar in the area of new leads and closing deals with some major national accounts. Mark is awesome and we are fortunate to be connected to one of the best in the business.

### Executive Leader, Lenovo

We measured the results and found the 200 new hires Mark trained were outpacing our existing team 3:1!

### Partner, McMill CPAs & Advisors

“ All of the advisors raved about Mark's content, and will be putting it in place right away! Very well done!

## CLIENT QUOTES

### Legal Counsel, Wire Reinforcement Institute

---

“ Everyone was thrilled with Mark’s speech! He had all the attendees rethinking all the things they could improve upon in their business, but sprinkled in just enough humor to keep it light and fun. Having Mark Hunter as our guest speaker was a success, and absolutely the right choice.

### Senior Director, Salesforce

---

His insights, passion, enthusiasm and stage presence make him a truly great speaker.”

### President, Jeffrey Byrne & Associates

---

“ Jeffrey Byrne & Associates had our best revenue year in 2014 in the 14-year history of our company and partly due to you and your recommendations! Thanks for your help. We still go back to your eight concrete and practical recommendations and are using them. Your fan!
